

UTKARSH YEOLEKAR

Associate Project Manager | Marketing Analytics | Project Delivery | Commercial Insights

+91-9740908591 | yeolekarutkarsh511@gmail.com | Pune, India

PROFESSIONAL SUMMARY

Associate Project Manager with experience in marketing analytics, digital commerce, pricing intelligence, promotional tracking, and cross-functional project delivery. Leads client-facing programs for Microsoft-linked partner marketing and OEM website insights initiatives, with hands-on ownership of reporting, dashboard development, shopper journey analysis, and executive-ready outputs. Brings a strong mix of delivery discipline, stakeholder management, process improvement, and AI-enabled workflow automation across analytics operations.

PROFESSIONAL EXPERIENCE

Mar 2024 - Present (2 Years 0 months)

C5i - Course5 Intelligence

Associate Project Manager

- Lead client-facing analytics engagements for Microsoft and global OEM programs spanning shopper journey tracking, pricing intelligence, promotional effectiveness, and digital commerce performance.
- Manage end-to-end project delivery across planning, execution with prior proof of concept, project PCL ownership, quality control, stakeholder communication, and executive-ready insight delivery.
- Oversee roadmap planning and sprint execution for analytics products, dashboards, and reporting solutions aligned to business priorities.
- Built a structured website benchmarking approach across OEM websites covering portfolio positioning, AI messaging, buying experience, pricing and value, and purchase confidence.
- Designed and delivered end-to-end executive dashboards for multiple Microsoft programs and Amazon digital shelf intelligence projects, enabling clear performance tracking and stakeholder decision-making.
- Identify automation opportunities across data collection, QC, insight generation, and reporting workflows using Excel, Python, and GenAI-enabled processes.

Indian Hotels Company Ltd. (Taj Group of Hotels)

Aug 2017 - Jan 2021 (3 Years 5 months)

Operations Manager

- Managed a high-revenue business unit and delivered 25% year-over-year revenue growth through pricing optimization, service improvements, and operational efficiency initiatives.
- Designed customer experience interventions that delivered the highest NPS in the portfolio and contributed to winning Best All-Day Dining Restaurant in Suburban Mumbai at the Times Food Awards 2020.
- Led frontline operations and business continuity during the pandemic, earning recognition as a “Covid Warrior” from Tata Group.
